Bio

DANNIE C. KELLY is a vibrant speaker, author, business owner, and wife. She has been celebrated as Author of the Year for her women's devotional *15 Simple Revelations for the Millennial Wife* which encourages women to love and live from a place of wholeness. Dannie has been a guest on the KPRC Channel 2 Houston Life Show. Holding a degree in Corporate Communications, She has a knack for bringing possibilities alive and making them a reality.

Dannie has been recognized as a young woman of great charisma and wisdom beyond her years. Having defied the odds, she has overcome abuse as an adolescent and teenager. It's no wonder why her voice of passion stirs a room and leaves no one untouched. She is determined to instruct, influence, and inspire others to have hope and courage to fulfill their destiny.
